a ma chere amie,
 I shall never forget
 the wonderful years we have
 worked together. You are a great
 teacher and I think I have accomplished
 much. Although I could have done better
 if I had followed your advice (studies). It is
 a wonder to me how you can overlook all the
 sarcastic remarks thrown at you. Lets just hope that
 someday students will learn to respect teachers.
 A friend,
 Robbie Taylor

Mrs. Duley,
 I have ~~truly~~ truly
 enjoyed having you for an

 3 years. I can say that
 I have learned much
 through your guidance.
 May your students always

besides a teacher. I am sure

The '56 Chieftain

As you turn through the pages of your
1955-56 yearbook, we hope that we have
been able to bring back to your memory
the years spent at Nahunta High School;
recalling the happiest hours, the valued
friends and the best-loved scenes.

Dedication

This page is included in honor of Mrs. Norma Lee Yelverton, our tenth and eleventh grade sponsor and faculty advisor. She has taught us throughout our high school and is dear to all of us. We will be forever indebted to her for the kindness, patience, sympathy, and understanding she has shown us. She was always calm, cheerful, and courageous, and the most respondent of us found reassurance in her presence.

We, the Senior Class of 1955-56, are proud to have had Mrs. Yelverton for a teacher. Her influence and guidance will help us in facing life's problems and accepting the responsibilities as citizens in tomorrow's world.

To her we proudly dedicate the '55-'56 Chief-tain.

Principal's Message

MR. H. G. BEARD

Your parents have devoted much time and have contributed considerable amounts of money in taxes and donations in order that you might have the opportunity to attend school. Their willingness to invest so heavily emphasizes the importance of the role of our school in our society.

Your school is dedicated not only to acquainting you with knowledge that has been gained over the years, but it is further dedicated to the task of training you to use this knowledge in being able to live cleanly, to think clearly, and to choose wisely in the daily activities of your lives.

May the training you receive here supplement the training of your home and church to the end that happiness and success will be yours.

History

On September 18, 1944, a group of forty first-graders, the future class of '56 entered for the first time into the halls of learning at Nahunta High School. The first three years were devoted mainly to developing our young minds in the three R's and learning to live together with our fellow students. Upon entering the fourth grade, we began to master much "harder" subjects such as history and geography. The highlight of our sixth grade year came when we made our tour of the State Capitol.

The seventh grade brought us a new thrill, for along with having Miss Rhoda Bone as our homeroom teacher, Mr. Rudolph Wiggs instructed us in the course of literature. Next on the chart of events came our eighth grade graduation which marked the completion of our grammar school days.

We entered the ninth grade with a great deal of enthusiasm, determined to begin our high school days right. Needless to say, we really lived up to our name of "Green Freshmen" during those first weeks of school. However, we soon learned our way around and completed our ninth year without any serious mishaps. Dorothy Pate joined us that year.

We came back the next fall as sophomores, full of bright ideas and plans. Tempie Lee Kearney returned to graduate with us after leaving us in the second grade. Our teacher, Mrs. Norma Lee Yelverton, guided us expertly through that year and twenty-two were promoted on to the eleventh grade. We were happy to learn that Mrs. Yelverton was to be our Junior Sponsor. Bill Henderson from Miami, Florida, joined us at the beginning of our junior year and has added much to our class in the way of music, comedy, and laughs. We had many exciting experiences as juniors, among them our play, "Damsels in Distress," presented December 13, 1954 and entertaining the seniors at the Hotel Goldsboro the following spring. The theme "Song of the Islands" was carried out in true Hawaiian tradition and the banquet seemed to have been a success. We had our part in the graduation of the '55 Seniors and Hazel Gurley, Jimmy Morris, Eloise Parrish, Jeri Wells, Wreb Hawley, and Bill Dixon were selected as Marshals.

We returned for our final year at school on September 1, 1955. We started the turn of events by electing Donna Morris as President; Douglas Gurley, Vice President; Jimmy Morris, Secretary; and Eloise Parrish, Treasurer. We were fortunate to have Mrs. Mildred Ginn as our Senior Sponsor. Our class has truly shared all the joys and problems of a typical senior year. Our first important event was the presentation of the Senior Play, "Tempest and Sunshine." And then a few days later how delighted we were to receive our class rings! The awaited day of our Washington trip came on November 27, 1955. Words can't describe how much we enjoyed the trip and our delight in having Mr. Don Shackelford, Mrs. Bagley Morris, and Mrs. Joe Morris as our chaperones. That was one experience that I'm sure will never be forgotten. Our annual, although new to us, was finally published and we shall always remember the events recorded in its pages. We are now looking forward to Commencement with all the little joys of receiving our calling cards, invitations, caps and gowns, etc. And last of all - our diplomas!

At this time we wish to express our deepest gratitude to the faculty, students, and last but not least, our parents. Although we'll soon be leaving Nahunta High, we shall never forget our friends here, of our joys, sorrows, triumphs, and successes - all these fond memories shall be cherished in our hearts always.

Hazel Gurley

Prophecy

Well, I guess it's the gypsy in me - I don't know any other reason why they chose me to foretell the class prophecy. I will now gaze into this crystal ball to see what the future holds for this grand class of 1956. TURN ONWARD, TURN ONWARD, OH TIME IN YOUR FLIGHT, LET ME SEE THE GRADUATES OF '56, TEN YEARS FROM TONIGHT.

My, aren't those twins cute, little red headed girl and black headed boy. Their mother is Ruth Baker or rather Ruth Sykes now; she and Junior have finally tied the knot.

Oh! Look at this great invention. It is called the "Ruthie Tobacco Harvester" designed by none other than Buster Bunn.

In a studio, a great radio announcer, Bill Dixon, tells all the listeners about the latest tunes. He is now dedicating a song, "Darling, Let's Turn Back the Years," to an old friend of high school days.

Who is that I see on that tractor? Sure enough it is Rose Ferrell, who was always good at farming. She is helping Celion plant the crop.

Left, Right, Left, Right. Douglas made it in the army after all. He is now Sgt. Douglas Gurley.

I seem to hear faint music. It is Hazel Gurley using her wonderful talent. She is giving Liberace a tight race.

Do you watch your T.V. very often? If so, I'm sure you've seen "The Wreb Hawley Comedy Hour."

Zoom! There went a jet. It was Bill Henderson, piloting the plane that he designed himself. He is still a bachelor, giving the girls a thrill.

Othal, don't treat that mule so mean. Yes, Othal is a very successful farmer. But, who is that blonde out there helping him?

Go easy on those boys, Lemuel, they are playing a good game. Yes, Lemuel is a tough coach and a good one. His boys really like him.

Jimmy is putting that chemistry to work filling prescriptions. He finished his study of pharmacy at Carolina and is a real serious pharmacist.

Sniff, sniff. What is that I smell? Smells like fried chicken. Yes, that's what it is. Eloise is fixing supper for J.B. while he rocks Junior.

Look at that lovely-looking lady; her hair surely looks nice. Why that's Reba Wiggins, the owner of the "City Beauty Shop."

I see Jeri dressed in a pretty, crisp, white uniform. Yes, Jeri finished her training at Rex Hospital and is now superintendent of nurses.

Tempie is an Air Force wife. She, Adell and all the kids are living in Florida. Some of you classmates drop by to see them on your honeymoon.

Dorothy has become secretary to the Treasurer of the Ford Motor Company in Detroit, Michigan. You should see Dot sporting that Thunderbird!

Thomas is now General Thomas Pridgen, Commanding Officer of the 82nd Infantry Division. He makes a very, good looking General. WOW GIRLS!

I see Thurston has served his time in the service and is now home working on the farm. He is still single, but is giving the girls a whirl.

As I go along, I see that "Taylor" Bridge constructed by the Taylor Construction Company. Billy now owns a big company in New York.

Crayton is a navy man now. He is in California. He must be going to make a career of the navy.

Where is that lovely music coming from? Of course, it's Donna singing the baby to sleep. She has had a hard day teaching the third grade. Rand is home from work and is comfortable in his easy chair puffing on a cigar.

Donna Morris

The Last Will and Testament

We, the Senior Class of Nahunta High School, being of sound mind and full of sad memories, do hereby make, publish, and declare this to be our Last Will and Testament. I, being the testator and witness of this will, do hereby declare it legal and advise you not to revoke this will, but be thankful for what you receive.

First, we leave to all the upcoming classes our ability to drive the teachers mad,

Second, to Mrs. Ginn, we leave our chewing gum, cute remarks, and uncooperativeness,

Third, we leave to the upcoming Senior Class our silly ways and ability to be liked by all the teachers,

Fourth, Lemuel, Jimmy, and Buster bequeath their ability to be leaders to Peter Aycock and Kay Pittman.

Fifth, the foursome, Dot, Hazel, Jeri, Eloise, leave their bossy ways to Annette Sasser and Annette Winders so the Seniors will have a boss next year.

Sixth, we individually bequeath our personal belongings.

Rose Rerrell leaves her typewriter with the letters on the keys to Mattie J. Lee, hoping it will help her increase her speed.

Thurston Rollins wills his school bus to Charles Aycock, so the bus will have a home for the next four or five years.

To Grace Gurley, Dorothy Pate wills her loquacious personality.

Thomas Pridgen leaves his "Lucky Strikes" to the smoking group.

Bill Henderson leaves his ability to get along in any situation and to get along with the girls to Jimmy Bunn.

Donna Morris leaves her ability to go steady to Ann Strickland.

To the underprivileged, Hazel Gurley leaves her cute ways and musical talents.

Lemuel Overman wills his interest in school work to Marion Talton.

Otha Minchew bequeaths his seventh grade girl friend, Penny, to William Barnes, so William won't ever be broke.

Bill Dixon leaves his love for people to Julius Boswell, so Julius can learn to get along with others.

Eloise Parrish wills her ability to be engaged to Judy Stuckey, hoping Judy will find the "right one."

Douglas Gurley leaves his bass voice to Howard Edgerton.

Reba Wiggins leaves her pretty blonde hair to Betty Wells.

Wreb Hawley wills his cigar to any senior next year, who might go to Washington.

Jimmy Morris leaves his intelligence and good grades to anyone who plans to go to college after graduation.

Temple Kearney wills her brown eyes to Lois Carter, so Lois will have an extra pair in case hers wear out.

To Mary C. Forbes, Buster Bunn wills his activeness in the 4-H Club work, hoping she will win some trips.

Jeri Wells bequeaths her ability to date a variety of boys to Helen J. Holland, in case she decides she doesn't want to go steady.

Crayton Lee wills his ability to do Algebra to Elbert Richardson, hoping he will pass the course.

Continued:

Ruth Baker leaves her fiery temper to Annette Sasser, since she doesn't have one, Billy Taylor wills his combs and mirrors to Cecil Lane in hopes Cecil will keep his hair as neat as Billy's.

Seventh, Donna, Reba, and Tempie will their pretty hair to Robbie Taylor and Mary G. Forbes.

Eighth, Ruth Baker and Rose Ferrell will their untold secrets, giggles, and pranks to Betty Howell and Julia Berry.

Ninth, Bill Henderson and Douglas Gurley will their ability to pass Chemistry with 70's and their good looks to Cecil Lane.

Testifying and confirming this to be our Last Will and Testament, we seal this document with love and sincerity to our heirs.

CLASS POEM

We as seniors have come to say
"Good-bye" to friends we meet today.
It's been great pleasure tagging along,
But we're sorry to part from friends we've known.

With kind hearts we wish to express,
To our teachers we wish great happiness.
Our principal and janitor, too;
We want good luck to come to you.

As we look out into the future with eyes of cheer
We'll always know that God is near,
To help us in all we do and say
And guide us all along our way.

As time goes on and years fly by,
We hope to reach success and why?
Because that's the best for all you know,
In order to make our country grow.

Once more we say "good-bye" to all,
Hope we're never forgotten, wherever we fall,
We bid you all a fond adieu,
And hope our wishes will all come true.

- Ruth Baker

CLASS SONG

(Tune: My Wild Irish Rose)

We may sing of our school days, which we have enjoyed,
And think of the good times we've had. Just to have it all taken away
from us now,

It will leave us so blue and so sad. We'll face our career, which we
cherish so dear.

It will mean more to us than pure gold.
And our one wish has been that some day we may win,
A future with comfort and joy.

Chorus: Dear old Nahunta School, we hate to say good-bye.
But now at last the time has come; so now we must fly.
It is so sad to go, for we still love you so.
In this world so fair there's none can compare
With our dear Nahunta School Days.

With hearts filled with joy, the world's full of things.
And our lives that happiness bring. Yet greater to us than all of its
charms, and each holds off burdens that harm.

'Twas given to us in a world that we know;
It has done things great, we appreciate. It is dearer by far than the
world's brightest star;

And it means so much where we go.

- Rose Ferrell

Mr. Surley
I guess it's hard to understand
a teacher's work and the value she
has been until you are ready to
start your future. You have helped
me very much and I hope I can remember
all you have taught me. From a grateful student
